RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Sir:

In response to the Official Action dated December 31, 2001, the Examiner is respectfully requested to consider the following election and remarks.

In the Official Action, the Examiner entered an election of species requirement. Specifically, the Examiner identified the following six species:

<u>Species</u>	<u>Claims(s)</u>
I.	Claims 1, 2, 8-17/1 and 8-17/2;
II.	Claims 3 and 8-17/3;
III.	Claims 4 and 8-17/4;
IV.	Claims 5 and 8-17/5;
V.	Claims 6 and 8-17/6; and

VI.

Claims 7 and 8-17/7.

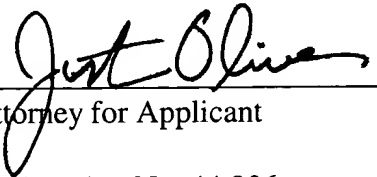

Applicant respectfully traverses the election requirement. Without conceding the Examiner's characterization of the claimed invention, Applicant believes that a thorough search of the relevant art for one species will require substantial consideration of the art relevant to the other species.

In addition, the making of an election of species requirement is not mandatory in all instances where it is possible to do so. Rather, the Examiner may use discretion and choose not to make an election of species requirement where circumstances warrant. It is believed that such is the case in the subject application. Therefore, Applicant requests, under 37 C.F.R. § 1.143, that the Examiner reconsider and withdraw the requirement set forth in the above-noted Office Action.

Nevertheless, Applicant provisionally elects, with traverse, to prosecute the subject matter of Species 6 (Claims 7 and 8-17/7) in the present application. In addition, attached is a Preliminary Amendment amending the elected claims to define even more clearly Applicant's invention.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicant
